VOLUME 1, ISSUE 10 19TH JUNE 2010

STEVE ELLIOTT BLA'S SOLE BREEDER IN THE IGMX SHOW

Steve's entry in the Japan Blue Double Swords showed well, with a credible 80.67 pts. This now has Steve in 11th Position for the Swords after the first leg.

He also took time out to visit Gernot Kaden's fish room and see how the professionals do it. "It was a great opportunity to visit the fish room of someone who is very much respected and who we all look up to. I was very pleasantly surprised to find that the fish room was set up in a very simple and 'ordinary' way that we would have here in the UK. It was larger, but there was no

automation. Twice weekly water changes and a large variation in diet seems to be the secret of success"

CHAIRMAN SETS UK LEAGUE 2010 STANDARD

With only three of the six legs completed Malcolm Clarke is having a fantastic run of wins with three Best in Shows in a row in the 2010 UK Guppy League. Malcolm is presently leading on all three sections and may take the Overall Champion title previously won by David Stoker in 2009. Malcolm explained that the UK Guppy League is the BLA-GS shop window and wishes to encourage more breeders to show under the IKGH rules. Malcolm also believes this is the only true

measurement of the quality of stock a U.K breeder has before attempting to show on the European circuit.
