The first event for the 2011 guppy calendar is the **Guppy Weekend** to be held on 19th & 20th February 2011 at the Nottingham Gateway Hotel (this is the same venue as the October convention). The weekend will be filled with lectures on guppies – various aspects of keeping and breeding these beautiful little fish and also the judging course which allows anyone in attendance to judge to the IKGH rules and also, perhaps more importantly, shows breeders the features that they should be trying to attain for their show fish.

The first leg of the UK Guppy league will also be held on the Saturday.

The event is open to anyone and there is no charge.

It is a two day event with Saturday and Sunday filled with entertainment. Those wishing to attend, either to stay over on the Saturday night, or those who will attend as a day visitor should inform the weekend organiser Steve Elliott so that we can ensure that sufficient facilities are arranged. The BLA GS can also book a room for you at a cost of £59.00 for a single, and £65.00 for a double/twin bedroom.

Please contact Steve Elliott

Stephen.elliott1@virgin.net

You may also book your own room on the internet which may be slightly less – but if you do, please inform Steve of your attendance.

Full details of the weekend will be confirmed in the near future.
