The guppy weekend is to take place on Saturday 19th and Sunday 20th February 2011. The event will be held at the Nottingham Gateway Hotel.

Rooms (including breakfast) will cost £59.00 for a single room or £65.00 for a double/twin if they are booked through the organisers. Anyone who wishes to book their own accommodation, and also anyone who will be attending as a 'day visitor' please inform Steve Elliott in order that appropriate facilities can be organised.

Anyone is welcome to attend - you do not have to be a member of the BLA, and indeed the event is FREE

Anyone who would like to make a 'postal entry' for the UK Guppy League should contact Steve Elliott to make arrangements.

Each day will start at 10.00 am prompt. Those taking part in the UK Guppy League are asked to bench their fish before 9.30 am on Saturday.

A newly edited IKGH Standards booklet has been printed and will be available at the meeting. If you bring your 'old' copy you will be issued a copy of the new 2011 edition free of charge. Normal price is £5.00
