July 26th, 2011

The show season is well underway now and we did have a bit more of a response at Basingstoke. Thank you for that. The next show will be at York.

The French European Guppy Championship was also a great success. The next European Championship show will be in Belgium – Lanaken. This show will host both a pairs show and also a trio show. If anyone is interested in attending or sending some guppy entries then please contact Steve Elliott. The show will be during the weekend of 25 – 28th August.

The main reason for this news letter is to remind everyone that there will be a meeting of the guppy group this Sunday, 31st July. It will begin at 1pm in a conference room at the Nottingham Gateway Hotel, the venue of our UK leg of the European Guppy Championship for pairs.

The meeting will be open to all members to attend. We shall be discussing the show in October as well as the UK Guppy league. We shall also be able to make arrangements to take part in the Aquatics Live event in

November. We also need to make arrangements to vote for the next committee which will be due to take over after the October show. There will be opportunity to discuss anything that any member wishes.

We would encourage everyone to attend in order that you can have your viewpoint heard and also you will become aware of everything that is happening and is likely to happen in the future with the group.

Finally, the obligatory appeal for everyone who intends coming to the show in October to pre book your room through Steve Elliott in order that you avoid disappointment if all the rooms are booked and the hotel is full.

Please contact our Chairman Steve Elliott if you require any additional information regarding the above, or indeed if there are any other matters that you wish to discuss at any time.
