The breeders who would like to take home their guppies at the end of the show will be required to pay a fee of £3.00 Sterling for each pair up to a maximum of £9.00 regardless of how many pairs are entered. If they are not attending the show personally and wish to have entries returned, they must also pay for all costs of return shipment. No fee is required if entries are donated to the association auction.
7. The organisation may limit the number of pairs entered by a single breeder, should it occur that the tanks available are not enough for all the enrolled fishes. If this is necessary then each exhibitor will be personally contacted prior to the show.
8. The auction will be held after the show (approx 1pm Sunday 18th October). Fish can only be removed once the show has ended and only designated BLA Personnel will be allowed to prepare fish for purchase and removal
