VOLUME 2 ISSUE 3 March 15th, 2011

We have had a very successful guppy weekend meeting in February and of course the first leg of the 2011 UK Guppy League competition. The next UK Guppy league leg will be at the BLA spring auction that will be held at the George Hotel, Sheep Street, Kettering, Northants on Sunday 27th March. If anyone requires any information please contact Steve Elliott. Likewise, if anyone wants to send a 'postal' entry for the competition please make contact at stephen.elliott1@virgin.net to confirm delivery address etc. We are trying to get some additional venues for the competition this year, especially for our guppy friends who live in the south of England. We have already agreed to have a leg at the Bristol Open Show. If there are any other venues that you think would be suitable please contact Steve to discuss. We have several new members who are able

to attend the Guppy League shows as judges and indeed we may have the option to allow 5 judges at some of the competitions (as per IKGH rules the top and bottom scores are removed and the remaining three are averaged) and it may be that we allow an hour after the formal judging for any of the others to also have a practice ! It is great that there is so much interest and enthusiasm.

The First European show of the season is in Italy. A lovely venue for the European Championship show for both Pairs and Trios. Steve Elliott will be attending with Malcolm Clark who will be one of the judges. Anyone would be welcome to attend with us and of course any entries that you have can be personally taken to the show.
